Thanks Ruth!

Brian, I've tweaked these adding the dates you wanted and the FL bullet. I also added the number of states and tribes that participated in the outreach.

Brian-

Here are some talking points that I could find quickly. These are TPs developed previously, and I've updated in a few places. I'll take another look first thing tomorrow to see if there are better versions. Also, copying Kathy in case she has other suggestions.

Hi Kathy, Ruth and Simma,

As an update to the meeting this morning, I followed up and found that we did notice for the change in Alaska's phase-in schedule for the NPDES program. It was done as a program modification.
